2022

OOFOAM™

technology

Our proprietary OOfoam™ technology is what makes the experience of our products so indescribable and separates OOFOS from other performance footwear. OOfoam™ delivers enhanced Impact Absorption, helping to aid recovery and reduce stress on the entire body with every step. Technology is the thing that makes OOFOS different from other “comfortable” footwear and elevates us to a scientifically proven recovery solution.

Absorbs more impact than traditional foams

Reduces stress on sore feet, knees and back

Enables more natural motion

Cradles your arches
